

# ECO-1 & AZASOL DISPLAY

Item # 040-8325

## Let's Grow Together

**Eco-1™ Garden Spray and Fruit & Vegetable Spray** are organic insect, mite, and disease solutions formulated with the most effective botanical oils available, for use on edible and ornamental plants.

**AzaSol®** is a systemic and organic insect growth regulator. With a 6% azadirachtin active ingredient, this water soluble, powdered Neem product is potent and naturally protects crops from a broad spectrum of insects.

## A Better Way to Profit!

Offer your customers a one stop shop to a naturally protected garden with the Eco-1 & AzaSol Display. Shoppable and stocked with a variety of sizes, this display meets the growing needs of any home gardener.
